Dear Jon:

A determination has been made as to which Eagle Reference Recommendation form will be used in the Greater Alabama Council beginning January 1, 2010. Based on the majority vote received from the District Advancement Chairs, Form 2 (copy enclosed) will be the approved method for contacting references.

This form was also reviewed by the Council's Executive Committee at its meeting on November 10, 2009. As such, your support and cooperation are appreciated. We will review the effectiveness of the form in September 2010 to see if changes or amendments need to be made.

Should you have any questions, please contact me at jacbrush@bellsouth.net or Jeff Brasher at jbrasher@1bsa.org. Thank you for your service to Scouting.

Sincerely,

Jim Brush
Vice-President of Advancement
